

CELL BRITE CLEANER

READY TO USE

PRECAUCION: AL USARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta la haya sido explicada ampliamente.

This product is a ready to use anilox roll cleaner that will deep clean and completely remove inks and resins from ceramic and chrome anilox rolls. Any ink cleaning job from light duty to what may have been absolutely impossible can now be accomplished.

DIRECTIONS:

Liberalley apply this clean to the surface of your anilox rolls with spray applicator or rag. Do Not Dilute.

Rinse with water or alkali cleaner.

CAUTION:

Avoid contact with skin and eyes. This product may cause skin irritation.

FIRST AID:

In case of contact, immediately flush eyes or skin with water for at least 15 minutes. If irritation persists, call physician. AC#8ICR
